## **10. Cryptocurrencies**

### **10.1 Definition**

As used herein, “**cryptocurrency**” (also referred to as “**virtual currency**,” “**digital currency**,” “**digital asset**,” and “**digital commodity**”) means a digital representation of value which is based on a cryptographic protocol that can be digitally traded and functions as: (1) a medium of exchange; and/or (2) a unit of account; and/or (3) a store of value, but does not have legal tender status and is not issued or guaranteed by any government.

Cryptocurrency is distinguished from “fiat currency” (such as U.S. dollars), which is the coin and paper money of a country that is designated as its legal tender. For more information, please refer to the *FATF Report, Virtual Currencies, Key Definitions and Potential AML/CFT Risks*, FINANCIAL ACTION TASK FORCE (June 2014), available [here](#).

## **10.2 Supported Cryptocurrencies**

A list of cryptocurrencies that Bakkt currently supports is available via the Platform. Bakkt may delist a cryptocurrency, at any time and for any reason at our sole discretion, including due to changes in a given cryptocurrency’s characteristics after Bakkt has listed the cryptocurrency or due to a change in the cryptocurrency’s regulatory classification.

## **10.3 Network Control**

Bakkt does not own or control any of the underlying software through which blockchain networks are formed and cryptocurrencies are created and transacted. In general, the underlying software for blockchain networks tends to be open source such that anyone can use, copy, modify, and distribute it. By using the Services, you understand and acknowledge that none of Bakkt, Platform Provider, Correspondent, or Apex Clearing is not responsible for operation of the underlying software and networks that support cryptocurrencies and that Bakkt makes no guarantee of functionality, security, or availability of such software and networks.

## **10.4 Forks**

The underlying blockchain networks and protocols are subject to sudden changes in operating rules, and third parties may from time to time create a copy of a cryptocurrency network and implement changes in operating rules or other features (“**Forks**”) that may result in more than one version of a blockchain network (each, a “**Forked Network**”) and more than one version of a cryptocurrency (“**Forked Assets**”).

You understand and acknowledge that Forked Networks and the available supply of any Forked Assets are wholly outside of the control of Bakkt, and you further acknowledge that our ability to deliver Forked Assets resulting from a Forked Network may depend on third parties that are outside of our control. You understand and acknowledge that Forks may materially affect the value, function, and/or even the name of the cryptocurrencies you maintain in your Account. In the event of a Fork, you understand and acknowledge that Bakkt may temporarily suspend the Services (with or without advance notice to you) while we determine, at our sole discretion, which Forked Network(s) to support.

YOU ACKNOWLEDGE AND HEREBY AGREE THAT BAKKT MAY DETERMINE, IN OUR SOLE DISCRETION, NOT TO SUPPORT A FORKED NETWORK AND THAT YOU HAVE NO RIGHT, CLAIM, OR OTHER PRIVILEGE TO FORKED ASSETS ON SUCH UNSUPPORTED FORKED NETWORK. YOU HEREBY FURTHER AGREE THAT BAKKT MAY, IN OUR SOLE DISCRETION, DETERMINE THE APPROACH TO SUCH FORKED ASSETS, WHICH MAY INCLUDE ABANDONING OR OTHERWISE ELECTING NOT TO SUPPORT SUCH FORKED ASSETS AS PART OF THE SERVICES. YOU UNDERSTAND AND HEREBY ACKNOWLEDGE THAT BAKKT IS

UNLIKELY TO SUPPORT MOST FORKED NETWORKS AND THAT MOST FORKED ASSETS WILL LIKELY NOT BE MADE AVAILABLE TO YOU.

## **10.5 Risks of Cryptocurrency Trading**

There are several risks associated with cryptocurrencies and cryptocurrency trading. By accessing and using the Services, you hereby represent and warrant that you have read our Cryptocurrency Risk Disclosure available at <https://bakkt.com/disclosures>, which is incorporated by reference.

## **11. Cryptocurrency Transactions**

### **11.1 Market Orders**

Orders to purchase or sell cryptocurrency at the prevailing market price (“**Market Orders**”) are based on the prevailing market price available to Bakkt at the time the Market Order is filled. You understand and acknowledge that the price at which your Market Order is filled may vary from the price displayed at the time your Market Order is placed, and you further understand and acknowledge that Bakkt may, at its sole discretion, cancel any Market Order if the prevailing market price changes significantly from the time the Market Order was placed. You further understand and acknowledge that Bakkt may, at its sole discretion, cancel any Market Order. Bakkt will send you a notification upon the occurrence of a cancellation of any Market Order.

### **11.2 Order Placement**

Orders are placed on the Platform through your Account using your Login Credentials. You understand that all Orders to purchase or sell cryptocurrency will be executed in reliance on your promise that an actual purchase or sale is intended, and that Bakkt requires full payment in cleared, non-margined funds at the time an Order is filled. You further understand and acknowledge that you are not permitted to place an Order to purchase cryptocurrency unless you have enough non-margined funds available in your Brokerage Account, and that you are not permitted to place an Order to sell cryptocurrency unless you have enough cryptocurrency available in your Bakkt Account.

You understand and acknowledge that Bakkt, Platform Provider, Correspondent and Apex Clearing do not guarantee that an Order you place will be filled, and you further understand and acknowledge that Bakkt reserves the right to cancel any Order or part of an Order for any reason, including if such Order (i) was placed during a scheduled or unscheduled downtime of Bakkt, Platform Provider, Apex Clearing, or any third party (ii) violates the terms of this User Agreement, or (iii) is non-marketable.

### **11.3 Source of Funds; Destination of Proceeds**

Bakkt only authorizes the purchase of cryptocurrency using non-margined funds maintained in your Brokerage Funding Account. You understand and acknowledge that you are not allowed to use funds that are not owned by you to enter into Cryptocurrency Transactions, and that you are not authorized to enter into Cryptocurrency Transactions on

behalf of any third party. You hereby represent and warrant that all funds used by you to enter into Cryptocurrency Transactions (presently and in the future) are owned by you and are not the direct or indirect proceeds of any criminal or fraudulent activity.

You understand and acknowledge that any proceeds from the sale of cryptocurrency shall be returned to your Brokerage Account, and that you will not have the option to transfer proceeds to any other account, including an account that you own.

#### **11.5 Transaction Limits**

You understand and acknowledge that your use of the Services is subject to a limit on volume (in USD terms) that you may transact in a given time period. Such limits may vary, at our sole discretion, depending on a variety of factors, and we may apply higher limits to certain Users at our discretion.

#### **11.6 Transaction Record**

When your Order is filled, Bakkt will send your confirmation (a “**Confirmation**”) through the Platform or to the email address associated with your Account. We may choose, at our sole discretion and without prior notice to you, to periodically consolidate Orders into a single Confirmation. Confirmations contain the following information: (i) Cryptocurrency Transaction date; (ii) Order type; (iii) trading pair; (iv) amount and U.S. dollar value of cryptocurrency purchased or sold; (v) price information; (vi) fees; (vii) a unique Order identification number; and (viii) any other information we may elect to include at our sole discretion or as required by law.

A record of your Cryptocurrency Transactions (“**Transaction History**”) conducted during the preceding twelve (12) months is available through your Account on the Platform. Transaction History that is older than twelve (12) months may be requested by emailing Bakkt at [cryptosupport@bakkt.com](mailto:cryptosupport@bakkt.com).

Bakkt maintains records of all Cryptocurrency Transactions for a period as required by law.

#### **11.7 Right to Offset**

In the event that you fail to provide sufficient funds at the time an Order is filled, Bakkt reserves the right, in our sole discretion, to cancel, reverse or fill such Order in whole or in part. You agree to be responsible for the costs of any such action taken by Bakkt. You understand and acknowledge that if a failure to provide sufficient funds results in an amount due and owing by you to Bakkt (a “**Negative Balance**”), Bakkt shall have the right to (i) charge a reasonable rate of interest on any such Negative Balance; (ii) offset any such Negative Balance, including any accrued interest and consequential losses, by transferring funds that are or become available in your Brokerage Account to Bakkt.

#### **11.8 Cancellations**

Orders may not be cancelled after they are filled.

#### **11.9 Errors**

You are solely responsible for reviewing your Confirmations and for monitoring your Transaction History for any errors (or any Potentially Fraudulent Activity, as outlined in Section 8.5). You understand and acknowledge that if you have not received a Confirmation or an Order cancellation notice, you are responsible for notifying us via email at [cryptosupport@bakkt.com](mailto:cryptosupport@bakkt.com) within twenty-four (24) hours of placing the Order. You further understand and acknowledge that you are solely responsible for reviewing your Confirmations for accuracy and for notifying us of any suspected errors via email at [cryptosupport@bakkt.com](mailto:cryptosupport@bakkt.com) within twenty-four (24) hours of the time any such Confirmation was sent.

You hereby waive your right to dispute any Cryptocurrency Transaction unless you notify us of any objections within twenty-four (24) hours of the time in which the applicable Confirmation was sent.

You understand and acknowledge that Bakkt reserves the right, but has no obligation, to declare null and void a Cryptocurrency Transaction that Bakkt considers to be erroneous. A Cryptocurrency Transaction may be deemed erroneous when its price is substantially inconsistent with the prevailing price at the time the Order is filled (each, an “**Erroneous Transaction**”). You understand and acknowledge that you are responsible for ensuring that the appropriate price and Order type is submitted when you place an Order to purchase or sell cryptocurrency with Bakkt, and that a simple assertion by you that a mistake was made in entering an Order, or that you failed to pay attention to or update an Order, shall not be sufficient to establish it as an Erroneous Transaction. You further understand and acknowledge that if Bakkt determines that a given Cryptocurrency Transaction is an Erroneous Transaction, Bakkt may, at our sole discretion, declare it null and void, in whole and in part, even if you do not agree to cancel or modify it, in which case you shall return the cryptocurrency or funds received in the Erroneous Transaction.

#### **11.10 Downtime**

Bakkt, and Platform Provider use commercially reasonable efforts to provide the Services in a reliable and secure manner. From time to time, interruptions, errors, delays, or other deficiencies in providing the Services may occur due to a variety of factors, some of which are outside of Bakkt’s control, and some which may require or result in scheduled maintenance or unscheduled downtime of the Platform or the Services (collectively, “**Downtime**”).

You understand and acknowledge that part or all of the Platform or Services may be unavailable during any such period of Downtime, and you acknowledge that the parties are not liable or responsible to you for any inconvenience or losses to you as a result of Downtime. Following Downtime, you further understand and acknowledge that the prevailing market prices of cryptocurrency may differ significantly from the prices prior to such downtime.

#### **12. Hosted Wallets**

Bakkt shall track the balance and ownership of cryptocurrencies purchased through the Services and stored in the omnibus Hosted Wallets, and you understand that you can view the balance of cryptocurrencies in your Account through the Platform. The enumeration in this Agreement of specific remedies shall not be exclusive of any other remedies that may be available at law or in equity. Any delay or failure by any party to this Agreement to exercise any right, power, remedy or privilege herein contained, or now or hereafter existing under any applicable statute or law, shall not be construed to be a waiver of such right, power, remedy or privilege, nor to limit the exercise of such right, power, remedy or privilege, nor shall it preclude the further exercise thereof or the exercise of any other right, power, remedy or privilege.

### **17. Indemnification**

#### **17.1 Indemnification by You**

In addition to any other obligations you may have under other provisions of this Agreement, you agree to indemnify, defend, pay, reimburse and hold harmless Bakkt, Correspondent, Apex Clearing, Platform Provider, each of their affiliates and all of their officers, directors, managers, partners, employees, independent contractors, or agents, (collectively, the “**Indemnified Persons**”) from and against all claims, demands, proceedings, suits and actions and all liabilities, losses, expenses, costs (including reasonable legal and accounting fees and expenses), damages, penalties, fines, taxes or amounts due of any kind (collectively, “**Losses**”) arising out of, in connection with or relating to (A) you or your officers, managers, partners, directors, affiliates, employees, independent agents or contractors, for any reason, fraudulent or otherwise, failing to perform or comply with any obligation, agreement or covenant under this Agreement, the Services or your use of the Services or any other services provided in connection with your Account, the Platform or your use of the Platform, (B) a breach by you or your officers, managers, partners, directors, affiliates, employees, independent agents or contractors, of any representation or warranty made by you under this Agreement or your provision of any inaccurate or incomplete information to any of the Indemnified Persons for any reason in connection with this Agreement, the Services, any other services provided in connection with your Account or the Platform, (C) any negligent, dishonest, fraudulent, or criminal act or omission by you or any of your officers, managers, partners, directors, affiliates, employees, or independent agents or contractors, (D) any claim or dispute between you and your Correspondent or Platform Provider and (E) any failure by you or your officers, managers, partners, directors, affiliates, employees, independent agents or contractors to comply with any laws, rules or regulations applicable to you or them. Notwithstanding the foregoing, an Indemnified Person shall not be entitled under this paragraph to receive indemnification for that portion, if any, of any liabilities and costs which is solely caused by its own individual gross negligence, willful misconduct or fraud, as determined by arbitration in accordance with Section 19 below.

## **17.2 Indemnification Procedures**

Upon receipt by any Indemnified Person(s) under this Section 17 of notice of the commencement of any action, and if a claim is to be made against you under this Section 17, the Indemnified Person(s) will promptly notify you; *provided, however*, that no delay on the part of the Indemnified Person(s) in notifying you shall relieve you from any obligation hereunder unless (and then solely to the extent) you thereby are prejudiced. Further, the omission to promptly notify you will not relieve you from any liability that you may have to any Indemnified Person(s) otherwise than under this Section 17. In any such action brought against any Indemnified Person(s), you will be entitled to participate in and, to the extent that you may wish, to assume the defense thereof, subject to the provisions herein stated, with counsel reasonably satisfactory to such Indemnified Person(s). After notice from you to such Indemnified Person(s) of your election to assume the defense thereof, you will not be liable to such Indemnified Person(s) under this Section 17 for any legal or other expense subsequently incurred by such Indemnified Person(s) in connection with the defense thereof other than reasonable costs of investigation or in the case of an actual or potential conflict of interest between you and any Indemnified Person(s), identified in writing by

counsel to the Indemnified Person(s). You shall keep the Indemnified Person(s) informed of the status of the defense of such claims, and you will not agree to any settlement without consent of the Indemnified Person(s), which consent will not be unreasonably withheld. The Indemnified Person(s) shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall not, other than in the case of an actual or potential conflict of interest between you and any Indemnified Person(s), be at your expense if you have assumed the defense of the action with counsel satisfactory to the Indemnified Person(s). In the event that the Indemnified Person(s) reasonably believes that you are not adequately defending a claim, the Indemnified Person(s) will have the right to assume the defense of such claims at your sole expense. You will not settle any action unless such settlement completely and finally releases the Indemnified Person(s) from any and all liability and otherwise is acceptable to the Indemnified Person(s). Except with your prior written consent, the Indemnified Person(s), you may not confess any claim or make any compromise in any case in which you may be required to provide indemnification.

You will not be held liable for such actual Losses that have been finally determined to have resulted solely from the gross negligence, intentional misconduct or fraud of Correspondent, Bakkt, Apex Clearing, any of their affiliates or any of their officers, directors, managers, partners, employees or independent agents or contractors.

Further, notwithstanding any other provision contained in this Agreement to the contrary, none of Correspondent, Platform Provider, any of their affiliates nor any of their officers, directors, managers, partners, employees or independent agents or contractors will be liable to you or any of your affiliates for any “Losses” arising out of, related to or resulting from your Account, the Services or your use of the Services, including without limitation any trading or other activities conducted in the Account, and the storage of your cryptocurrencies.

Further, none of Bakkt, Apex Clearing, Correspondent, Platform Provider, any of their affiliates or any of their officers, directors, managers, partners, employees or agents will have responsibility for Losses or have any other liability to you (i) arising out of or resulting from any actions or inactions or performance of services by any third party or actions of other participants in the markets with respect to your Account or the activities conducted through your Account or (ii) arising out of or resulting from system failures, outages, unauthorized access to the Account, conversion of property, errors of any kind, government actions, force majeure events, trading suspensions, or any other causes over which Bakkt does not have direct control. Further, none of Bakkt, Apex Clearing, Correspondent, Platform Provider, any of their affiliates or any of their officers, directors,

managers, partners, employees or agents shall be liable for any Losses that are not direct damages, including without limitation, indirect, special, incidental, punitive, consequential or exemplary damages, which includes trading losses, lost profits and other lost business opportunities relating to the Account, the Services and your use of the Services, the Platform and your use of the Platform, including without limitation for sending orders for the purchase and sale of cryptocurrencies to Bakkt, directing the transfer of funds to Bakkt and the storage of your cryptocurrencies.
